

# **LEWIS COUNTY FIRE DISTRICT SIX**

## **FIRE DOGS ASSOCIATION**

In an emergency, minutes lost looking for an address can be the difference between life and death for a loved one!

### **“Help Us, Help You”**

We have begun a project to help solve this problem in Lewis County. Put a reflective address sign at the beginning of your driveway, on the front of your house, or both. This will assist the fire department, ambulance services, and law enforcement in locating your house without delay.

The Fire Dogs Association is a non-profit organization, so by donating for a sign not only do you assure rapid, faithful response to your emergency, but also support your local Volunteer Firefighters who are working for you.

**It is the goal of all our firefighters and medical staff to provide the most reliable and professional service to our community!**

.....  
**Please mail or deliver order forms and payment to:**

**Lewis County Fire District Six**

**Fire Dogs Association**

**2123 Jackson Highway**

**Chehalis, Washington 98532**  
.....
